| Length (Side Seam) | 26 | 27 | 28 | 29 | 30 | 32 | 33 |

Variations +/- 2cm

The sizing on the chart is the actual measurement of the garment itself.

When choosing your garment sizes, the best idea is to find a garment you currently have in a size that is comfortable. Then measure the garment across the chest then refer to our size chart - just choose a size the same measurement.
